## Directions for a search of recorded documents

Click on “Services” (upper midway of screen) for drop down.

Click on “ROD Online Services”.

Click on “Log in as Guest” button.

Accept the disclaimer.

Click on “Search Public Records”.

This brings you to the search screen (*you may search a couple different ways*).

1. If you are doing a general search, change the display from 15 to 100. On left side of page, choose “name” search. Put in last name first, space, first name. Upper right corner hit “search”.

OR

2. On the left side of page, choose to look documents with either book & page number or tax map number. (All documents are not available using tax map number).

To view document, click on the blue book/page number on left hand side of result screen. This should open document for viewing. If you have difficulty viewing document, please call Kofile at 1-888-608-1808.

To print document, you must first save it. You will be asked if you want to open document. Say “yes” then print.
